TO SPEAK FOR GOOD ROADS

M B. Johnson, acknowledged to be one of the best informed and ablest exponents of good roads in the State, has been secured to address the citizens of the Sonoma Valley, at the City Hall, Monday night of next week.

This address is to be a feature of the regular monthly meeting of the Chamber of Commerce, and the energetic officers of this organization are exerting themselves to insure a large attendance, as this Good Roads' movement is of paramount importance, and one in which the people of all sections of the county are interested.

There will be present at this meeting large delegations from the county seat, Petaluma and other places, among whom will be a number of other excellent speakers, who are members of the Sonoma County Good Roads' Club.

There will be seats for all, and the residents of this section are urged to attend.

Baseball Season Closes

The Sonoma baseball team had a most successful season, winning thirteen and losing six games—the best record ever made by the home team.

Too much credit cannot be given the Sonoma battery, Fritz Helbrg and Geo. Block. This young battery made quite a hit. Helberg's record for the season is twelve games won, and five lost.

The gate receipts for the season will be expended for the purchase of uniforms next year.

Below are given the batting averages of the home team:

HIGH SCHOOL NOTES

The benefit for the Boys' Club, last Friday evening was a great success and was enjoyed by all. There was a short musical program, and after that dancing prevailed. Enough money was realized to insure the members of the Boys' Club a trip to the State Agricultural Farm for a couple of days. The High School wishes to thank all of those who so generously donated their services for the occasion.

On Wednesday morning, a visiting photographer took pictures of the entire school, both as a body and as individual classes.

The class in dietetics has been organized, and several of the house wives of the town are attending. This course is a fine addition to the curriculum of the school, and it is hoped that more people will take advantage of the opportunity thus offered to gain a knowledge of scientific food preparations and sewing.

The domestic science class wish to acknowledge the gift of one sack of flour from the Fishus Flour Co., of Seattle, which was donated by their traveling salesman. The receipt is also acknowledged of a chest of spices, donated by Folger & Co., of San Francisco.

JUNIUS

A Skilled Mechanic.

G. Anderson, of the Sonoma Tire and Repair Company, whose place of business is on Napa street, adjoining the Palace Hotel, is building up a splendid trade, which will steadily increase as the high standard of the work perfomed by Mr. Anderson is tested and becomes generally known. The gentleman makes a specialty of repairing seetions, at which he is an adept, and this class of tire work is a great convenience and saving of expense to owners of automobiles. Mr. Anderson is, aside from his fine skill as a mechanic, a young man of worth, and is deserving of confidence and patronage. The young man has just returned from a week's motor trip through Napa and Sonoma Counties.

(BETSY JANE'S WEEKLY BUDGET OF GOSSIP.)

There, now! This is something like it—columns placed at my disposal, despite the press of advertising, instead of the brief space of last week, or total obscurity altogether, as has been the case quite frequently.

We've had a pleasant week socially, especially the younger set, yet their elders have had a generous share. Yesterday afternoon's tea, given by the Woman's Auxiliary, P. P. I. E., at the home of Mrs. Stofen, and the benefit for the Mother's Monument Fund, at the Don Theatre, last night, have been happily anticipated.

Splendid Success—

Attended the efforts of the Sonoma Valley Woman's Club, the Chamber of Commerce, and Principal M. H. Rowell of the Sonoma Valley Union High, who arranged the Benefit Entertainment, given at Union Hall, Friday night of last week, for the High School Agricultural Club.

Union Hall was thronged with an appreciative audience, and a program of exceptional merit was presented by favorite local talent. Among those who assisted were: Mesdames J. A. Kinsella, Ralph Hotz, Jas. Elney; Misses Henrietta Weber, Nancy Bates, Marjorie Buchan; Messrs. M. H. Rowell, A. H. Jansen, Ralph Buchan and Murray Foster.

Dancing was indulged until after midnight, with splendid music contributed by Mrs. Ada Pauli, and Messrs. Frank Knolle, Roy Pauli, Claud Johnson, Emmet Gottenberg, Ralph Busby, and Fred T. Hansen.

Mrs. S. P. Woodworth and assistants, Mesdames H. J. Wicker and H. H. Eaton and Miss Minnie Cook, turned in $17.76, receipts from the candy booth; Mrs. G. H. Hotz and assistants, Mesdames R. L. Watt and H. F. Bates, netted $12.35 from the sale of coffee and sandwiches, while Mesdames F. T. Duhring and C. T. Ryland and Miss Meta Stofen made $6.00 from the serving of punch. The sale of tickets amounted to $113.50, and an appreciated contribution of $11 was sent in from Glen Ellen Grange by Secretary Robt. P. Hill. The expenses of the affair amounted to $18.00, thus leaving the net proceeds $142.61.

The efforts made by the progressive men and women of this valley have insured the trip to Davis Farm of all the members of the Agricultural Club, and the boys are enthusiastically anticipating the two days, October 16 and 17, on which they are to be the guests of the University of California. The lucky winner of the trip to Washington, D. C., is to be chosen Friday afternoon.

A Birthday Anniversary

Celebrated most happily, Monday last, was that of Miss Gladys Simmons, the charming daughter of Mr. and Mrs. L. S. Simmons, and a popular member of the younger social set.

At a six o'clock dinner, Miss Simmons entertained the Misses Nancy and Zoleta Bates, Mary Springer, Aleta Franquelin and Anita Gassner, which was greatly enjoyed by the bevy of fair girls at the prettily-appointed table, which was embellished with white anemones and sprengeri. Throughout the parlors and dining-room, the twinkle of many vari-colored lights added to the festive appearance.

The pleasant memories of the anniversary were further increased by a surprise being tendered Miss Simmons later in the evening, the young people assembling at the home of Mrs. Ernest Campbell, by whom they were chaperoned.

Miss Simmons was assisted in receiving and entertaining her guests by her mother and Mrs. Campbell, and the hours were a succession of pleasure. Dancing was the principal pastime, to the excellent music of the Paulis.

'Twas after midnight when the guests dispersed, with the ardently expressed hopes that the future held many years of happiness for their girl friend.

Those present were: Mesdames Pauli, Campbell, Adler; Misses Martha Landgraf, Nancy and Zoleta Bates, Helen Antrim, Henrietta Weber, Florence DeSart, Eleanor Kehoe, Anita Gassner, Mary Springer. Gertrude Breitenbach, Isabel and Alice Trudgen; Messrs. Simmons, Campbell, Ray Cooper, Ralph Evans, Leland Brubeck, Fred Danielson, John Duhring, Joe McMullin, Paul Thomson, Jack Canaveri, Otto Brandt, Will and James Kehoe, James Gottenberg, Henry Englund, Arthur and Percy Carmer; Roy Johnson, and Roy Pauli.

An Enjoyable Event—

Occurred on Tuesday night, the occasion of which was to afford a number of their well-wishing friends an opportunity to felicitate two much-esteemed young people on the reaching another milestone in the happy pilgrimage of youth. The favored recipients of the honor were Miss Nellie Peterson, the girlish but capable chief operator of the California Lighting and Telephone Company, and her brother Will.

Tuesday was the anniversary of Miss Nellie's birth, but girls, as of course you are aware, are not supposed to tell their ages after sweet sixteen, so the number of her years was not announced. However, the fact that, on Wednesday, Will attained his majority—the proud age of twenty-one years—was reason for his receiving the lion's share of attention and congratulations.

The merry gathering was held at Woodman's Hall, and dancing, games and a general good time was enjoyed until a late hour, the guests departing with all good wishes for scores of happy birthday anniversaries to come to these well-liked young people.

A Farewell Reception—

Was tendered Rev. Edwin F. Brown, former pastor of the Fourth Street Methodist Church, and his wife, in the parlors of that church in Santa Rosa, Thursday night of last week. A fine easy chair was presented the esteemed clergyman by the members of his congregation as a token of the regard in which he is held.

Rev. Brown has been transferred from Santa Rosa to the pastorate of the Methodist Episcopal Church of this city, filling the vacancy occasioned by the death of the Rev. C. H. Wood.

Mr. and Mrs. Brown and their thirteen-year-old son arrived here, Thursday afternoon, and will reside in the parsonage, adjoining the church, but plan, however, to spend a part of each week on their farm, near Melitta, on which the gentleman's son-in-law and daughter are making their home.

A cordial welcome is extended the new pastor and his wife, whom I trust will find their lot has been "cast in pleasant places."

"A Japanese Wedding"—

A delightful Oriental production, is to be the attraction at the bazaar, to be given by the Ladies' Aid Society of the Congregational Church, Friday night, November 6th. The play will be given in a beautiful Japanese setting, with music adapted from the opera of "The Mikado." The various roles are to be interpreted by the following-named ladies and gentlemen: Mesdames Carrie H. Burlingame, McAliister; the Misses Henrietta Weber, Nancy Bates, Helen Rowell, Zoleta Bates, Emma Johnson and Helen Antrim; Messrs. Rowell, Jansen, McAllister, Busby Knolle and Danielson. Mrs. Carrie Burlingame, who is so splendidly capable in a dramatic way, is directing the staging of this charming dramatic work.

"Our Bachelors"—

A sparkling, three-act comedy, is now in the hands of the clever talent who are to contribute to the success of the bazaar, to be given by the ladies of St. Barbara's Guild. The Guild has been most fortunate in securing the assistance of A. L. Wells, in directing the production.

The fete and bazaar to be given by the Episcopal ladies is to be a two days' affair—Thursday and Friday, December 3d and 4th—with the bazaar, dancing and other features the first evening, and the presentation of the pleasing play the second night.

A Constitutional Amendment Seminar—

Will be held on Friday afternoon of next week, at the social meeting of the Sonoma Valley Woman's Club, at the Club Parlors. For the past year, the social afternoons have been under the direction of the educational department, to which Miss Margaret More, who is chairman, has given much time and careful attention arranging features of benefit and interest to club women and their friends.

The discussion, or, more properly, the explanation of the Constitutional Amendments is to be participated in by Mesdames S. Calderwood, M. T. Stearns, F. T. Duhring, Carrie Burlingame, and the Misses Margaret More, Ellen Trueblood, Emma Johnson and Meta Stofen.

The discussion is not to be of a political nature in any sense, and no arguments for or against any amendment will be advanced. The idea is solely to give club members clear and concise knowledge of the amendments, and the plan is most commendable as but few voters, men or women, understand these measures upon which they are asked to pass judgment at the polls in November.

A Vacation Trip—

Of much enjoyment were the weeks spent by George Perazzo, the well-liked and accommodating delivery clerk for Wells, Fargo & Co., in Seattle, Tacoma, Vancouver, and visiting with his sister, Mrs. A. P. Haughn, of Charleston, whose husband holds a responsible position in the Navy Yard of the State of Washington. The young man reports having had a splendid time, especially pleasurable being the introduction to his six-month-old nephew, whom George proudly decalres "is just the finest boy ever." Friends of Mrs. Haughn—who as Miss Aurelia Perazzo was one of the most popular girls in the valley—send cordial greetings and felicitations to Mr. and Mrs. Haughn, many of whom had not learned of the advent of their baby son.

Clever "Dorothy Ann"—

The talented society editor of the Santa Rosa Press Democrat, was a visitor in the Sonoma Valley, Sunday. "Dorothy Ann," who in private life is Mrs. O. L. Houts, was accompanied by her husband, popular Captain O. L. Houts, to whom his host of friends extended a cordial greeting. Mrs. Houts is prominent in club as well as social circles, and is County Lecturer of the Woman's Auxiliary, P. P. I. E.

A Critical Operation—

Was undergone by Mrs. R. Jansen, last Saturday morning, at the University Hospital, San Francisco. The noted Dr. Wallace I. Terry was the operating surgeon. The host of friends of Mrs. Jansen deeply regret the necessity of this second operation, and sincerely hope it will result in her restoration to health. The operation proved successful, and at the present writing, I am pleased to note, Mrs. Jansen is progressing very favorably.

Cordial Welcome Home—

Is extended Miss Nancy Bates, who returned from San Francisco, Friday night of last week, having completed her course in elocution and dramatics. Within the fortnight, Miss Nancy will re-enter High School, and will also continue vocal instruction, making regular trips to the metropolis. Her many friends are delighted to have this popular and talented girl back in their circle. Next week the Bates sisters, Misses Nancy and Zoleta, will have as their guest, charming Miss Dorothy Gise, of Benicia.

The Library Trustees—

Are congratulating each other on the appointment by Mayor Wm. Von Hacht of Rev. J. Henry Oehlhoff, rector of Trinity Episcopal Church, as an assciate member on the Board. Mr. Oehlhoff has had considerable experience in library work, in which he takes keen interest, and the nice part of his appointment is that the gentleman has generously consented to give to the library his valuable knowledge. Broad of mind and of progressive views, Mr. Oehlhoff will give splendid service as a library trustee.

A Hay Ride—

Was the mode of enjoyment participated in by about twenty-three jolly members of the Young Peoples' Endeavor of the Congregational Church, Wednesday night. The outing was due to the courtesy of Chester Studley, who conveyed his guests through the southern part of the valley, and back to the church parlors, where refreshments were served. Rev. and Mrs. Price chaperoned the young people.

The Ladies' Aid Society—

Of the Congregational Church, will be entertained at the home of Mrs. Amelia H. Bates, Tuesday of next week. The ladies are anticipating the afternoon with much pleasure, as Mrs. Bates is one of the most hospitable of hostesses, and an adept in the culinary department, so a treat in the way of refreshments may be expected.

Jesus was the plan of God to bring Himself into the material that the human race may have knowledge of Him. This incarnation is acknowledged by all men to be the greatest human form that has appeared in history. It was a revelation of God. The Christian is the body of Christ; the thing through which the Spirit of Christ becomes a tangible thing. Christ among men is now in the form of men who do what Jesus did, who think as Jesus thought. In people who do good and are good, Christ is revealed to men who know Him not as Jesus revealed the great Unseen to us. The topic in this service will be: "Ye Are the Body of Christ."

Y. P. S. C. E. will meet at 6:30 p. m. The leader will be Mrs. McAllister.

Sunday evening service will be at 7:30 p. m.

Please note the change. If any question troubles you, or you may want to hear discussed, put it on a piece of paper, and put it in the question box as you enter the door. The sermon topic will be: "The Greatest Cry of the Ages." You are invited, if you have no church home.

DEATH SUMMONS ALFRED LEMOINE

A wide circle of friends deeply regret to learn of the death of Alfred Lemoine, which occurred at the home of his parents, Mr. and Mrs. Frank Lemoine, in San Francisco, Tuesday of last week.

The young man was but twenty-three years of age, and the cutting short of a worthy and promising career, at a period when life is brightest and happiest, is inexpressibly sad, and has brought a weight of sorrow to the hearts of family and friends who were devotedly attached to him.

The deceased, who was a native of California, was well and favorably known in this valley, his parents having owned a large vineyard near Glen Ellen for about thirteen years, the family having removed to San Francisco five years ago. The young man was a nephew of Mrs. A. Froment, of this city, who was at his bedside at his passing.

Mr. Froment and daughters, the Misses Eugenie, Antoinette and Marguerite, attended the funeral on Thursday afternoon, which was held from the French Church; on Bush Street.

The remains were laid to rest in Holy Cross Cemetery, beneath a pall of beautiful flowers.

Assemblyman Slater Honored.

Herbert W. Slater, one of the Past Exalted Rulers of Santa Rosa Elks' Lodge, has been honored by Grand Exalted Ruler Raymond Benjamin with the appointment as District Deputy Grand Exalted Ruler. Secretary C. O. Dunbar, of Santa Rosa lodge, received the official notification of Mr. Slater's appointment on Monday afternoon from the headquarters of the Grand Lodge of the United States. The district is a large one and includes all the lodges in the bay district and in other counties. The compliment is richly deserved, and very highly appreciated not only by the recipient but will also be by Santa Rosa lodge and Sonoma county Elks generally.

Representative Mann Supports Ed. H. Hart for Congress.

REPRESENTATIVE MANN, Republican leader in the House, has written a letter to Edward H. Hart, Republican candidate for Congress in this district, in which he denounces the Democratic party and those Progressives who voted with the Democratic majority, for the enactment of so many laws detrimental to American manufacturers and American farmers and in which he urges the voters of California to elect to Congress in November a solid Republican delegation so that the Republicans of this State may do their part toward putting a stop to such legislation. This letter effectually refutes the claim that Republican Leader Mann has endorsed any but regular Republican candidates for Congress in this or any other State. The following is the letter sent by Representative Mann to Mr. Hart:—

JAMES R. MANN,
MEMBER OF CONGRESS

UNITED STATES HOUSE OF REPRESENTATIVES
OFFICE OF REPUBLICAN LEADER,
CAPITOL BUILDING,
WASHINGTON, D. C.

Sept. 14, 1914.

Hon. Edward H. Hart,
Ross, Marin Co.,
California.

My dear Mr. Hart:--

I have your kind letter of recent date and I congratulate you and the republicans upon your nomination as the republican candidate for Congress in the First District of California.

With democratic legislation constantly aimed at the destruction of California interests, I think it is important that the next House of Representatives shall have a republican majority in order to stop the destruction and California ought to send a solid republican delegation to the next Congress.

Yours very sincerely,

James R. Mann

EL VERANO

The following letter was received recently by Mrs. Henry Koerner, from her sister, in Germany:

HAMBURG, GERMANY, Sept. 14, '14.

Dear Sister: I guess you are anxious to hear from us, since the papers are full of war news, but will tell you it is not near as bad as they say. There is, of course, a sad enough time here, but things are really not as bad as they might be.

We are not getting discouraged. as everything is going to come out O. K.

Please send me papers from there so that we may see how much they are trying to down us with their slander. We have seen some of the things that were said, but we do not believe it

If you write, leave the letter open, or else it will be held, as no mail that is sealed is allowed through the office

Times are a little dull, and work is slack, but things are normal. Prices are a little higher than before, but not much to speak of.

It won't be long 'til there will be Peace, as we are gaining ground all the time.

They say that our soldiers are committing atrocities, which is not so. We are in hope that our people, with the help of God, will soon win out, and the war will come to a speedy end.

YOUR SISTER.

A RECORD OF PAINFUL ACCIDENTS

Dave Burroughs, the well-known well-borer, met with a serious and very painful accident, on Monday last. While engaged in boring a well, the handle of the apparatus which he was operating slipped from its position, striking Mr Burroughs in the forehead, inflicting a cut two inches in length, and which penetrated to the skull. Dr. I C. Gobar dressed the injury and Mr. Burroughs is doing nicely.

Dr. Gobar was also called upon, Monday, to attend H. E. Darling, who is connected with the Maffei Brothers' Meat Market, who was suffering from blood poisoning His hands were badly bruised handling stock, the injuries being added to by an encounter with a hog, the left hand becoming infected as the result of an abrasion inflicted on the left hand by the animal's tooth Mr. Darling was in quite a serious condition for a couple of days, but is on the road to recovery, we are pleased to note.

On Tuesday, N. Maffei sustained a badly cut finger, while cutting meat, the laceration having to be stitched. The injury is healing splendidly.

Supervisors Appropriate Money

Principal M. H. Rowell appeared before the Supervisors, Thursday, asking an appropriation for the defraying of the trip to Washington, D. C., of the winner of the tomato growing contest. But thirty dollars remained in the advertising fund, which was allowed Mr. Rowell and there now remains but a balance of thirty-five dollars, which will undoubtedly be easily raised.

Harry Becker, of Oak Grove, was a visitor to the metropolis a few days this week.

Selig Meyer, one of El Verano's popular musicians, returned to his old home in San Francisco, last Wednesday.

Mrs. Max Coutts, of Kenwood, with her two little sons, visited with her parents, Mr. and Mrs. A. Block, Sunday last.

The picnic and turkey shoot at Oak Grove, last Sunday, was a grand success, and great skill in marksmanship was shown by some of the local and transient sports.

The El Verano Lumber Yard has been quite busy unloading several cars of lumber. They are getting ready for the large amount of building, which is to be done here this fall.

Chas. Oldag and son were visitors in El Verano, Saturday and Sunday last. Mr. Oldag is the San Francisco representative of the New York Pire and Life Insurance Company.

Thos. Baines, our wide-awake real estate agent, has been kept quite busy, for a week past, selling a number of fine building sites in our little burg, which is certainly coming to the front.

The closing dance at the El Verano Villa, last Saturday night, was largely attended, and at the last there were many farewell handclasps exchanged, and sincere hopes expressed for reunion next season.

A large meteoric rock was dug up by a posse of juvenile picnicers, who managed to bring the specimen into El Verano. The rock. which was found near Sonoma Mountain, is very odd in shape, and weighs about fifteen pounds.

The two and three-reel feature films that are shown at El Verano Villa Moving Picture Theatre, every Saturday and Sunday nights, are certainly masterpieces in the moving picture art, and are surely getting the crowd. "Pop" Block knows what the public wants.

LOCAL NEWS OF SONOMA AND IMMEDIATE VICINITY

Mrs. G. A. Goess returned, last week, from a fortnight's sojourn at San Mateo, as the guest of her daughter, Mrs. W. B. Fowler.

R. A. ("Bob") McKewon came up from San Francisco and spent the week-end at the Emparan home, the guest of his friend Raoul.

Mrs. Clarence Nauman and children came up from San Francisco, Sunday, for a brief visit at the home of the lady's mother, Mrs. A. H. Bates.

Mr. and Mrs. Fred Poulson took a drive to Napa, Sunday, passing the day pleasantly with their daughter, Mrs. Green. They report the roads in very good condition.

Mr. and Mrs. Adam Adler, with Mrs. Robt. Poppe as their guest, and popular Harry Quataroli at the wheel, enjoyed a motor trip through the Napa Valley, one day last week.

The Misses May and Kate Monahan came up from San Francisco, Sunday, and spent the day among their many friends here. Miss May is a successful probation officer in San Francisco.

President L. Calderwood, Secretary Clyde Hunt, W. W. Skaggs, J. W. Ramage, Robt. Long and L. Robinson, of Santa Rosa Parlor of Native Sons, paid a fraternal visit to their Sonoma brethren, Monday night. The visitors were entertained at a fine banquet by the local Natives, at which President George McGill presided as toastmaster.

Edward Preston, who for the past few years had been engaged in the egg commission business, took his departure, Monday morning, for San Francisco, where he will locate permanently and establish a business for himself. Mr. Preston is a young man of splendid worth, and has a host of warm friends throughout the valley, who wish for him all sorts of good luck in his venture.

There has been placed on the shelves of the Sonoma Public Library a set, fifteen volumes, of The Catholic Encylopedia, the gift of Sonoma Valley Council, Young Men's Institute. The American Library Association Booklist comments on this valuable work as follows: "With volume fifteen this notable achievement of Catholic scholarship is concluded. It is, in the first place a mine of authoritative information on the rites and ceremonies, beliefs. practices and history of the Catholic church. But it is not exclusively a church history, nor is it limited to the ecclesiastical sciences and the doings of churchmen. For non-Catholics its chief value lies in its accurate presentation of Catholic views, signed articles and bibliographies."

Mrs. Charles Lamb, who is a guest at the pleasant suburban home of her brother, O. R. Rufus, is entertaining her neice, Miss Lillian Johnson, a charming society girl of Cleveland, Ohio. Miss Johnson has been visiting in California for the past three months and is delighted with the Golden State.

The opening of Sonoma's new millinery store, of which the Misses Anna and Minnie Smith are the proprietors, occurs today, and the ladies of the valley are invited to call and inspect their stock. These young ladies, who reside near town, are well and favorably known, and will carry a complete and up-to-date line of millinery. Their store is located in the Duhring building, adjoining the Don Theatre.

His Sonoma, town and valley friends—and the August primaries indisputably proved the fact that their name is legion—are highly gratified at the announcement that Phil Redmond has accepted a position in the office of County Assessor J. P. Berry. The splendid capabilities of this popular young man are rightly placed, and Assessor Berry is to be congratulated on having secured his services.

At the monthly meeting of the Board of Supervisors, this week, a transfer of $1,100 was ordered made from the general road fund to the Agua Caliente road fund for the purpose of making necessary repairs in the road from El Verano station to the town, which had been washed out by the floods last winter, and is in danger of being completely wiped out this winter.

Edward Morris, the Progressive nominee for the assembly in this district, was in town, Monday, says the Press Democrat, from his Sonoma Valley home, in the interest of his candidacy. Mr. Morris is making an active campaign. He is a son of J. B. Morris, a well known resident of tue valley, and a prominent farmer of the section. The candidate has been actively engaged in agricultural pursuits for years and is well thought of by his friends.

Mrs. George Fetters took her departure, Sunday afternoon, for a three week's Eastern trip. The enterprising hostess of the beautiful Sonoma Valley resort, will combine business with pleasure, and while away intends purchasing an ice plant, by means of which the waters in the big swimming tank at Fetters' Hot Springs are to have a frozen surface, and converted into a skating pond. This will be rare sport for the many patrons of the resort during the winter months, and the novel pastime will prove a very greatly enjoyed innovation.

Address—Rev. T. M. Price
Hymn—"Hail to the Lord's Annointed!"
Offering for the Red Cross Society
Solo, Kipling's "Recessional"—A. H. Jansen
Benediction—Rev. J. H. Oehlhoff

The offering, to assist the Red Cross, was taken up by Mayor Von Hacht and Trustees Breitenbach, Dal Poggetto and Johnson, which—with the Sunday Morning offering of Trinity Episcopal Church, which was added to the evening collection—amounted to forty dollars.

Investigate Solictors.

It has been reported, says the Press Democrat, that a subscription shark has been working in several sections of upper California, taking subscriptions for Hoard's Dairyman and other prominent agricultural papers and pocketing the money. Beware of the subscription imposter, and don't give your money to strangers, unless they can show authority from the papers they solicit for.

Thanks Returned.
